COMMUNICATION

The Clerk presented the following communication from his Honor, the Mayor returning with his veto the following three resolutions:

April 1, 1994

John L. Taylor  
Clerk of the Board of Supervisors  
City Hall - Room 235  
San Francisco, California 94102

Re: Resolutions Nos. 244-92-3.1, 244-92-3.2 and 244-94-3

Dear Mr. Taylor:

Pursuant to San Francisco Charter Section 2.302, I am vetoing and returning to you Resolution No. 244-92-3.1, Resolution No. 244-92-3.2 and Resolution No. 244-94-3.

I have been informed by the Office of the Clerk of the Board that these resolutions were prepared in and reported out at a meeting of the Select Committee on Base Closures held on March 10, 1994. Resolutions 244-92-3.1 and 244-92-3.2 were prepared at the conclusion of an item calendared as

Hearing to consider the status of the transfer of the Presidio from the United States Army to the Golden Gate National Recreation Area.

In addition, at that same meeting the Select Committee prepared and reported out Resolution No. 244-94-3, relating to the generation of electricity at the Presidio. The calendar item for that hearing stated,

Hearing to consider the use of Hetch Hetchy generated electricity at the Presidio.

I am informed that a letter addressed to the City Attorney by an attorney representing the Bay Guardian requested the rescission of Resolutions 244-92-3.1 and 244-92-3.2 on the grounds that there was not an adequate notice on the calendar as required by the Ralph M. Brown Act and the San Francisco Sunshine Ordinance.

The gist of the complaint regarding these calendar items is that the Sunshine Ordinance and the Brown Act require that the public be informed of the possibility that a legislative body will take action on an item that has been calendared for consideration.

While I am not convinced that the Sunshine Ordinance or the Brown Act was violated by this process, I think that the Board of Supervisors and the Mayor should follow closely both the letter and the spirit of those laws. In order to maximize the public's opportunity to take part in deliberations over these measures, I have determined to veto all three so that they may be returned to the Board for further consideration in a process that will maximize citizen input.

My vetoing of these resolutions does not express my view on the substantive merits of these resolutions. I will reserve judgement on the merits of these resolutions to such time as they or other versions of these resolutions are returned to me from the Board.

Sincerely

/s/Frank M. Jordan  
Mayor

COMMUNICATION

The Clerk presented the following communication from his Honor, the Mayor, returning with his veto the Salary Standardization Ordinance for Fiscal Year 1994-95:

April 22, 1994

The Honorable Angela Alioto, President  
and Members of the Board of Supervisors  
City Hall, Room 235  
San Francisco, CA 94102

Dear President Alioto and Members:

I am returning with my veto the Salary Standardization Ordinance (SSO) for fiscal year 1994/95 (file No. 106-94-1).

The San Francisco Charter mandates that no classification of employee may receive a basic pay rate "in excess of the maximum prevailing rate for that class." The Charter formula for wage setting is designed to ensure that employees receive no less, but also no more, than "generally prevailing wage rates" in Bay Area public and private jurisdictions.

In spite of continuing reduced revenues that have resulted in major layoffs, salary and benefit reductions, and service cuts in other public and private agencies, San Francisco has continued to grant salary increases to its employees.

The fact is that the wages of many San Francisco employees are now well in excess of wages paid to similar employees in the Bay Area. Therefore, granting increases to such City employees for the coming fiscal year is unwarranted.

The Board of Supervisors had the power under the Charter to send the SSO back to the Civil Service Commission for correction. They did not do so.

The power to veto is an integral part of the Charter's system of checks and balances. It is my duty as Mayor to exercise my veto power to ensure that the Charter's mandates are followed.

Under the City Charter, the Board of Supervisors will have thirty days to consider whether to override my veto. During those thirty days, I will continue to meet with affected employee organizations in the hope of reaching an agreement in the best interests of the citizens of San Francisco.

Sincerely,

Frank M. Jordan  
Mayor
